

No. 25/01/2016-IIWCO

Dated: 12/02/2016

### **CORRIGENDUM**

With reference to the tender notice no. 25/01/2016-IIWCO dated 25.01.2016 for Selection of Agency for "Website Content development and updation of Invest India website", the following changes in the tender Notice are hereby notified through this Corrigendum for all concerned advertisers and stockholder.

<b>S.No</b>	<b>Clause</b>	<b>Page</b>	<b>Query/ Suggestion</b>	<b>Clarification by Invest India</b>
1	Form Tech 1B: Bidder Details and Checklist	39	Have you successfully completed at least 5 similar project initiatives over the last 3 years having a minimum project cost of at least Rs. 15 lakhs?	Read it as "Have you successfully completed at least 5 similar project initiatives over the last 3 years having a minimum project cost of at least Rs. 25 lakhs?"
2	-	-	Who will take the liability of the correctness of the content	The liability of the correctness of the content will lie with the selected agency. The agency has to take due care while preparing the content.
3	-	-	Who will upload contents on the website?	Invest India will be selecting a separate agency for website designing, development and maintenance. The primary responsibility of uploading content on website will be of the website developer. However, selected agency has to work in close coordination with the website developer.

All other terms and conditions mentioned in the tender documents remains same.
